MTEF charges a nominal fee the Summer TEAM Program to accepted participants for **\$20 per week, per child**. Throughout the years, we have increased and improved our program offerings. In 2011, a comprehensive measurement component was added that tests children in four areas – academics, tennis, nutrition/fitness, and life skills. And it just keeps getting better.

### What should children wear?

Children should wear sneakers and athletic clothing (shorts, t-shirt, etc.). Also, please ensure that your child has proper sun protection. A hat or visor will help from the heat as well.

**What equipment should children bring?**

MTEF provides all tennis equipment and reading material, but children may bring their own rackets or books if they would like to. Make sure to clearly label any personal items you bring. We strongly discourage your child from bringing any valuables, as MTEF is not responsible for lost or stolen articles.

**What about food and drink?**

MTEF provides water at all sites, although we suggest that children bring their own water bottles. Participants are provided with a free lunch. Children are encouraged to bring healthy snacks. MTEF provides fruit twice daily at each site.

**What happens if it rains?**

It depends on the day and the time. Some sites have classroom and gym space that may be used to provide programming in the case of rain. Please ensure that your child has a way to get home or a place to go if rain cancellation occurs. Contact your child's site leader with any questions regarding rain cancellation.

**Does MTEF have an attendance policy?**

Because of the demand for this program, attendance is REQUIRED for all confirmed sessions. If your child cannot attend a session he or she is registered for, please contact the MTEF office as soon as possible at (414) 442-8195 so that another child can be given the opportunity to attend.
